Colonel White:

Here is Personnel's bi-weekly report on the CIA Retirement System. The Board acted on ☐ cases in Jan. & Feb. and will complete ☐ in March. The Staff can now process ☐ week. With an estimated 1,300 to act on after March, however, our 30 April deadline appears unattainable. Given no letup in our best efforts, it seems likely that all "routine" cases can be completed by 1 July, and the remaining ones involving "stateside" and other policy issues which the Board handles on a case-by-case basis by the end of the summer.
